This cream provides instant relief to skin with redness. It produces a real feeling of softness and comfort.

Centella, Red Vine*, Horse Chestnut*

* Ingredients from organic farming

AQUA PHYT'S

Continuous source of hydration

Water is an essential element of life. Skin hydration is the key to healthy skin because water is its main constituent (70%). It allows it to maintain its suppleness, elasticity and resistance, whilst also ensuring the good metabolic functioning of cells.

Every day, whatever its type, skin is subject to external factors that disturb its natural hydration mechanisms.

PHYT'S Laboratories has designed a complete range of moisturising products that, in a targeted manner, meet all the problems related to dry skin by using ever more effective and natural active ingredients in order to provide a 24H response that is certified Organic and 100% of natural origin.

CLEANSING

EAU MICELLAIRE HYDRATANTE

PHYT'S

ORGANIC MAKE-UP

The Complexion

■ Correct

Bye bye red patches, dark rings under the eyes and unsightly imperfections! Eliminate all traces of fatigue, unify and brighten your complexion thanks to our 2 correctors: soften the areas of shade with the help of the **Correcteur Anti-Cernes** and camouflage red patches with the **Correcteur de Teint**.

■ Unify

For natural beauty enhancement and an immediate radiant complexion, use our **Crèmes Teintées** available in 3 shades of mother-of-pearl beige to satisfy light, olive or in-between skin colouring! Hydrating, lightly tinted treatments that unify the skin giving it a natural glow.

For a more sophisticated finish, choose one of our 5 shades of **Fonds de Teint** adapted to your skin colouring. Formulas concentrated in pigments for optimum concealing, fluid, satin-smooth, non-greasy and non-comedogenic textures that make the complexion look sublime and leave an infinitely soft, delicate powdery veil on the skin.

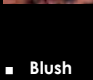

■ Perfect and reduce shine

To give your complexion a natural glow and a delicate powdery finish, apply a veil of powder. Genuine beauty accomplices, powders for the complexion reduce shine, unify and fix your make-up! In a loose or compact version to suit your needs : **Poudre Caresse** or **Poudre Satin Beige**.

■ Structure

Enhance your cheekbones and structure your face with 2 harmonies for cheeks that are good enough to eat : **Tendre Pêche** and **Tendre Rose** !

Sculpt your face and give it a natural golden tan all year round thanks to our compact sunshine powders with a bewitching fragrance : **Lumisun Peaux Claires** and **Lumisun Peaux Mates**.

■ Outline

The key to infinitely more captivating eyes !

The essential **eye-liner**, a genuine calligraphy tool, outlines your eyes with black or brown to enhance the intensity of your eyes and give them depth.

As for our **pencils**, with their soft lead and creamy outline, they will allow you to play around with your eyes as much as you want with a version that comes in 3 shades.

■ Intensify

Equipped with a formula enriched with natural waxes and vegetable oils, our **mascara** guarantees long, voluminous and intense lashes.

Its curved brush with its shaping ability gives you doe eyes. It hugs the eye contour and gives a pretty extension to the corner of the eye.

Available in 2 colours from intense to natural, you'll be naturally glamorous !

The Eyes

■ Shade

Genuine jewels with precious mother-of-pearls, our **fards à paupières** are the ideal allies to make your eyes look sublime according to your desires.

Flaunt irresistible eyes by playing around with iridescent, pearly, sequined, mother-of-pearl colours... Match them according to your moods and adapt your make-up as you want.

Loose, compact or creamy, there's something for everyone !

For an intensified colour that lasts all day, use the **Sublimateur** underneath your eye shadow.
